A voice for **EVERY** child in foster care.

CASA of the South Plains empowers community members to serve as Volunteer Advocates and to be a voice for the best interest of children who have been abused and neglected. The CASA IMPACT! Luncheon is an invitation only event that highlights the immeasurable difference CASA Volunteers make in the lives of the hundreds of children they serve in our community. The event includes a silent auction, the Todd Monroe Reno Champion for Children Award presentation, and a profoundly personal story from a former foster youth and their CASA Volunteer.

Every dollar raised at this event will go directly to supporting CASA's mission of serving EVERY child in foster care. Your contribution and support will help CASA move closer to achieving this goal and will have a long-lasting impact in our community.
