Why Get Involved with CASA?

CASA is the only volunteer-based agency with a legal role, provided through court appointment, to advocate for children who are in the foster care system. Every single child we serve has been placed in foster care due to abuse or neglect. You can help make sure children in our community do not face the chaos of foster care alone and ensure they have the support of a CASA Volunteer who will represent their best interest.

THE CASA IMPACT!

- ▶ 375 children received the gift of a CASA and advocacy services from CASA of the South Plains in 2024.
- ▶ 219 CASA Volunteers donated a total of 7,246 hours in 2024, saving county taxpayers \$398,530 in county paid attorneys' fees.
- ▶ More than 80 youth in foster care found a loving and permanent home with the help of their CASA Volunteer in 2024.
- ▶ 85% of the school age children in foster care served by CASA Volunteers advanced to the next grade level.

Hear from CASA Supporters!

"I don't know exactly what I was expecting out of becoming a volunteer but I can tell you that whatever it was, those expectations and experiences have been more than met. I love the organization and I count it an honor to be a very small part of the work we do."

– Gayla Bursiaga, Current CASA Volunteer

"I need a CASA for every kid I have in care. CASA provides information I am normally not able to receive from any other source. The CASA role is very critical so that I am able to see both sides of the coin, what the child wants but also what's best for the child."

– Judge Kara L. Darnell, South Plains Foster Care Court
